## Reservations & Permanent Court Times p.2

8/22/22 - 5/31/23

**Reserved Court Time (RCT) Additional Information:** Reservations may be made up to 6 days in advance. In order to receive a refund for cancelled reservations, you must cancel the court by calling the club, at least 24 hours in advance of the reservation; note the time and first name of the person you cancel with. All names playing on the court must be provided at least an hour before the reservation starts for ease of check in. The court must be vacated by the ending time so that the next reservation can start on time.

**Permanent Court Time (PCT) Additional Information:**

The commitment to a PB PCT is for the full season prorated from opening PCT date or prorated from the date you start, through May 31st. Billing for the season will be done in two semesters, each approximately 20 weeks in length.

If PCT players are splitting a spot or only playing on specific dates, the captain may provide PCT billing information in either of the following ways:

- Provide a list of who is playing for each week of the semester. We can share both an example of an excel spreadsheet schedule and an excel sheet with season dates, to assist you with planning.
- Divide cost by all players and/or specify a percentage to charge each player
  - Example - if 6 players are splitting 4 spots we can divide the total by 6.
  - Another example for a doubles group would be to specify 3 players as full time and the 4<sup>th</sup> and 5<sup>th</sup> player splitting 50/50

If your PB PCT day and time is eligible for renewal, each player in your group will need to renew their PB Membership and deposit \$50 towards their PCT fees. Please let us know how many nets you will need. At least 4 players with deposits are required per net. Any members added to the group are required to deposit \$50 up until August 1<sup>st</sup> at which time first semester billing will begin. If you are applying for a new PCT, only the captain needs to apply. Up until August 1, when offered a PCT the captain will have 3 days to solicit approval for the time and have the members submit a deposit. After August 1<sup>st</sup>, the PCT will be immediately billed, prorated from the start date.

**2022-23 Preseason PB Membership price is \$150 for the full season** (June 1, 2022 - May 31, 2023). This membership is non-refundable. Current 21-22 members do not need to pay the registration fee unless they allow their membership to lapse. If a player is new to NTC, or has let their membership lapse, a \$100 Registration Fee is applicable.

**Monthly Payment Membership Option** is \$25 per month with \$100 Registration Fee for new members. If a PB Member will miss more than 8 months of the season, the Monthly Membership with the freeze option (pay ½ of monthly fee) may be more economical than the Preseason Membership when factoring in the registration fee for lapsed memberships.

Players may purchase the 2022-23 Preseason PB Membership up until the **May 1, 2022 deadline**. Players who join after May 1, 2022 will need to purchase the Monthly PB Membership (\$25 per month with a \$100 Registration Fee for new members). Any members added to the group are required to deposit \$50 up until August 1<sup>st</sup> at which time first semester billing will begin.
